Imaginary Circumstances

- Setting, location, Time
 - House, (inside) Jane's studio
 - Conway
 - 2022, summer, August

Situation

- This takes place in Jane's studio where she is working on 4 card towers. If she completes these card towers without messing up, she wins 200\$. It was a bet she made with her friend Jake. Noodles is in the studio because he is mad at Jane for not watering him
- Because Noodles is fed up with Jane and angry with her

Action/Conflict

- Noodle wants to get back at Jane for not watering him and leaving him out in the hot sun, Jane wants to finish her card tower since she's almost done.
- To get what he wants, Noodles threatens to knock down one of Jane's towers. He wants her attention
- Noodles wants Jane's attention but she is working on her tower
